The diagram shows a table with 6 columns and 8 rows. The first row is a single wide cell. The second row is split into a wide left cell and five smaller cells. The third, fourth, and fifth rows are also split into a wide left cell and five smaller cells. The sixth row is a single wide cell. The seventh and eighth rows are single wide cells. On the left side, there are two sets of arrows. The upper set of arrows points to the second, third, and fourth rows. The lower set of arrows points to the sixth and seventh rows.
